Dr. Teresa Olson, MD, FAFP

**DR. TERESA OLSON JOINS PROVIDENCE FAMILY MEDICINE**

**COLUMBIA, S.C.** – Providence Health is pleased to announce the addition of Dr. Teresa Olson, MD, FAFP, to its team of primary care physicians. Dr. Olson is a board certified family physician with an interest in preventative care and over 21 years of experience practicing medicine. "Quality of life can often be improved with early preventive care," says Dr. Olson.

While she has been professionally based in the Southeastern states, she has made numerous oversea missions to deliver medical care to those in need, starting with an early stint as Medical Receptor Missionary in Eku, Nigeria, continuing to multiple to medical missions in Romania and short term medical trips to Guatemala and Honduras. When not travelling or helping others maintain their wellness, Dr. Olson enjoys spending time at her home in Irmo with her husband, and daughter.

Dr. Olson received her medical degree from, and completed her residency at, The Medical College of Georgia.

Providence Family Medicine is a primary care physician practice within the Providence Health system of care providers. Dr. Olson will be practicing at 114 Gateway Corporate Blvd., Suite 350, Columbia, SC 29203. To make an appointment with Dr. Olson, call (803) 788-2277 or visit <http://www.providencephysicians-sc.com/locations/providence-family-medicine-northeast/>.

**About Providence Health:** A part of LifePoint Health, Providence Health is the leading provider of cardiovascular and orthopedic services in the Midlands. Providence is composed of two hospitals, sixteen physician practices, a network of rehabilitation centers, two sleep centers, an imaging and diagnostics lab, a school of cardiac diagnostics and an accredited chest pain center. In total, Providence employs more than 1,800 dedicated staff. Founded in 1938 by the Sisters of Charity of St. Augustine, Providence is known statewide for outstanding clinical quality and compassionate care. The Providence open heart surgery program has consistently ranked in the top 15 percent of open heart programs in the nation. Both orthopedics and cardiac services have received the South Carolina BlueCross BlueShield Blue Distinction Center designation.
